

Birthday Books

We have added over 150 new books to our school library since the Birthday Book Program started 5 years ago! A big thank you to all who have donated in the past!

The **Birthday Book Program** is an opportunity for you to have a book dedicated to your child for his/her birthday. Each book will have a dedication plate inside the cover naming your child and his/her birthday. This is a wonderful way to put your mark on our school library! Each birthday book donor will have their book added to our school library at the beginning of their birthday month and recognized at the birthday assembly. We hope this will be a fun way to help celebrate your child's birthday. The cost is \$25 per book.

Please return the bottom portion of this handout with a cheque, payable to Star of the Sea School, if you wish to take part in this program.

We would like to take part in the Birthday Book Program.
